Thank You Flutie Fund for helping me go to Camp Rainbow! I can’t wait!

Love,
Phoenix
Our Mission

To help people and families affected by autism live life to the fullest.

Our Vision

A world where people with autism lead productive lives where they are included, respected, and actively engaged in their communities.
For 20 years now, we’ve been on a shared journey to make the world a better place for people and families affected by autism. 2018 was another great year thanks to you!

Through your investment and the power of great partnerships, we continue to improve the daily lives of people and families affected by autism. In 2018, you gave students a chance to communicate by providing tablets and other assistive technology. You provided many job opportunities. You provided access to camps and sports programs. You helped people with autism pursue their musical and artistic talents. And you helped families be informed, supported and safe. Add it all up and you are making today better for people and families affected by autism.

As you’ll see in this report, you are helping Andrew pursue his career dreams. You are helping Michaela learn to cook, clean and do laundry. We are so grateful for you and our many mission partners. Please take the time to read through this report to see all the different ways your support positively impacts the autism community.

But let’s not stop here. Please continue this journey with us in 2019 and beyond. There are still many people and families in need of support. Luckily, there are many ways to work with the Flutie Foundation to meet these needs. Would you like to join our “Dougie’s Team” for athletic fundraising? Or contribute to Joey’s Fund, which supports families in need? Or perhaps start your own family fund to support the autism community? Let us know! Together, we will help as many people with autism as possible to live their lives to the fullest.

Please reach out to me or the Flutie Foundation staff if you’d like to become more involved or have any questions!

Thanks again so much!

Nick Savarese
Executive Director
Words cannot begin to express how grateful we are for those who joined us during this incredible 20-year journey as a Foundation. We are so proud of all that we have accomplished together. To the staff, volunteers, donors, corporate sponsors, community partners, and families who have been right there with us, we thank you from the bottom of our hearts.

Thanks to our collective efforts so far, the Flutie Foundation has distributed over $14 million to schools, community organizations, and families in need and our impact continues to grow. We have changed so many lives and our commitment to the autism community is stronger than ever. With each of you by our side, we can’t wait to see what the next 20 years has in store!

Best,

Doug & Laurie Flutie
Co-Founders
Thanks for the Memories!

Monday, April 16, 2018
**Dougie’s Boston Marathon Team**

The 2018 Boston Marathon brought record rain, wind and cold. But it also brought guts, courage and perseverance. We were so proud of the 17 individuals who took to the streets to raise funds and awareness for individuals and families affected by autism. Our 2018 Dougie’s Boston Marathon Team raised a record $190,000!

2019 Date: Monday, April 15

Saturday, May 5, 2018
**A Night to Shine**

What a memorable 20th anniversary celebration! We are so grateful to all those who attended and supported the 5th Annual A Night to Shine at TripAdvisor. This event was another sell-out, drawing 450 guests and raising close to $300,000!

2019 Date: Saturday, April 27

Monday, September 17, 2018
**Flutie Golf Classic**

Once again, we hit the links at Brae Burn Country Club for a day featuring 18 holes of championship golf. We were joined by so many friends – Tyler Lagasse, Jayme Parker, Steve Burton, Bob Socci and David Alan Basche – who, along with the rest of the field, competed for prizes and raised more than $115,000 for the Flutie Foundation.

2019 Date: Monday, September 16

Sunday, September 30, 2018
**19th Annual Flutie 5K**

On Sunday, September 30th, more than 1,000 people came out to support the 19th Annual Flutie 5K, which raised $80,000 for the Flutie Foundation. Our sincerest thanks to all the runners, walkers, families, spectators, team captains, volunteers, donors, and sponsors!

2019 Date: Sunday, October 6
This year, the Flutie Foundation had the opportunity to sponsor two incredible golfers with autism, Scott Rohrer (of South Carolina) and Tyler Lagasse (of Tyngsboro, MA), who competed in the Special Olympics USA Games in Seattle, earning Gold and Silver medals respectively. Flutie Foundation Fellow Andrew Roberts, a 15-year-old with autism who is an aspiring sports reporter, was in Seattle as well and reported on the three-day USA Championship golf “duel” between Tyler and Scott, bringing our constituents exciting highlights and interviews.

“Behind the scenes, this trip was not easy for me and at times I got very frustrated. However, just like for Tyler and Scott on the golf course, I was able to find focus on camera. With this life changing opportunity to be a Flutie Fellow covering such an exciting national event, I am one step closer to reaching my goal to become a professional sports broadcaster.”

- Andrew Roberts
In 2018, thanks to your support, we invested a total of $860,000 to help people with autism live life to the fullest. Our two key initiatives (outlined on pages 10 & 11) distributed the following:

**Direct Financial Support**
- $113,000 Family Grants
- $8,000 SAFETYNET Bracelets
- $38,000 Camp Scholarships

**Grants & Investments**
- $257,000 Signature Grants
- $64,000 Technology Grants
- $52,000 Strategic Investments

**Board of Directors**
- Doug Flutie
  President & Co-Founder
- Laurie Flutie
  Vice President & Co-Founder
- Dave Blouin
  Blouin & Co., Treasurer & Co-Chair
- Tina Cantu
  Neurological Surgery, Inc., Co-Chair

**Foundation Staff**
- Shamez Kanji
  North Hill Ventures
- Kevin Lane Keller
  Tuck School of Business at Dartmouth College
- Michael Shunney
  The Advocator Group
- Dr. Jack Tierney
  Greater Boston Orthopedic Center

Our programs and activities improve the quality of everyday life for people and families affected by autism along seven key dimensions that are critical to living each day fully. We aim to provide a path for education and/or employment during the day; opportunities for physical and social activity outside of work/school; and the tools to be safe, supported, and informed at all times.

A Day in the Life
People and families affected by autism deserve to be:

- Educated
- Employed
- Informed
- Supported
- Safe
- Social
- Active
• **Critical Needs:** While other organizations are pursuant on a cure, we address the immediate challenges of everyday life for people with autism.

• **Positive Impact:** Through our partnerships and programs, we positively impact over 10,000 lives annually. Our selected partners demonstrate a deep, meaningful and lasting effect on the lives of people with autism.

• **Active Partner:** We value our role as a convener and catalyst for building collaborative partnerships. We strive to be more than just a funding source by mentoring, educating, learning from, and connecting our program partners who share common goals.

• **Close Relationships:** We are committed to building deep and productive relationships with the autism-related community, our program partners, donors, volunteers and staff.

• **Nimble Responses:** We respond to the unique and often-changing needs within the autism community, with the ability to act on opportunities for collaboration, new ideas, and/or proven solutions.

• **Dependable Presence:** We are accessible, friendly and trusted. For more than 20 years, we’ve earned a reputation for being there for families in a way that makes all the difference in their loved one’s journey.
Our Strategic Initiatives

To help people and families live life to the fullest, we layer two key initiatives which offer direct and collaborative support. Each initiative encompasses a variety of programs and activities that improve the quality of everyday life for people affected by autism by making sure they are educated, employed, active, social, safe, supported and informed.

**Direct Financial Support:**
We provide direct financial assistance to families to help relieve the financial burden of caring for a loved one with autism.

i.  **Joey’s Fund:** Distribute grants to families (directly or through a local resource center) to cover a variety of additional expenses required to meet their unique needs. Help cover the costs of things like respite care, horseback riding lessons, art classes, camp tuition, safety-related items such as fencing and service dogs, social skills training, music therapy/instruments, and much more.

ii. **Camp Scholarships:** Provide scholarships for people with autism to participate in water sports programming in Massachusetts and Florida. These summer camps provide people with autism the opportunity to take part in windsurfing, Hawaiian outrigger canoeing, surfing, and more.

iii. **Safe & Secure Program:** Keep children with a history of wandering safe by covering the costs of a SafetyNet Bracelet. SafetyNet enables public safety agencies to more quickly find and rescue people with cognitive conditions, like autism, who are prone to wandering and becoming lost.

In 2018, the Flutie Foundation also hosted several Family Fun Days, which provide families the opportunity to enjoy a fun activity together while in a sensory friendly environment.
Collaborative Grant Making & Community Investments:

We collaborate with community organizations, schools and companies providing critical, innovative and responsive programming and/or services that are answering the everyday challenges facing the autism community today.

i. **Signature Grants:** Fund and partner with charities throughout New England, NY, NJ and parts of Florida to help build their program capacity and accessibility to the local community. Internally vet grant applications to ensure that recipients are impactful and diverse.

ii. **Strategic Investments:** Support new and ongoing high-priority projects in the autism community. Ensure that our partners can focus on the work at hand while avoiding the cycle of annual grant applications. Choose partners through an in-depth internal process that complements our Signature Grants program.

iii. **Allison Keller Technology Program:** Fill the financial and technological gap for schools and organizations that assist people with autism. Partner with schools that are showing evidence of a current or innovative curriculum that is utilizing education technology.

In 2018, the Flutie Foundation also employed several young adults with autism through Flutie Spectrum Enterprises, an office solutions business that offers direct mail, assembly, shredding, and other related services to businesses.
In each grant-giving cycle, the Flutie Foundation assesses the current needs facing families, evaluates proposed solutions, and awards grants to organizations that will make the best impact. As stewards of your philanthropic funds, the Flutie Foundation is committed to ensuring that your generous gifts are used for the greatest good.

In 2018, Promise in Brevard based in West Melbourne, Florida received a Flutie Grant for its Vocational Training and Employment Program, which helps young adults with autism achieve independence and self-sufficiency. Thanks to our funding, Promise residents will receive vocational training that is tailored to their unique gifts and talents so that they can be on a path of permanent employment and job success!

“I have strived for independence in the past. Now, with the advent of Promise, that dream might be a reality for me! I have always wanted to live on my own, but until now my disability has made this difficult. Promise will change that. I can already cook, clean, and do laundry. Now I will have a chance to live independently with these skills! But, lest you think that it is all about me, I know quite a few others with disabilities, for whom this will also help. They, too, have probably been striving for independence, but found it difficult, and they, too, will be able to lead a fulfilling life with Promise.”

- Michaela, Promise Resident
The Flutie Foundation gratefully acknowledges the individuals, corporations, foundations and community partners whose generosity ensures that people with autism live life to the fullest.
